

The following are small, put together, monthly reading journals.
An illustrated sample for making the journals is printed on the next
page.

Print selected cover for your journals.

Print the number of pages you desire to have in your journal.
(Fold these pages backwards with the printed sides showing on each
side, then staple them inside your cover.)

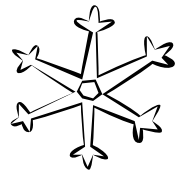

There is an extra page for setting and keeping records of reading
goals. You may insert this page at the beginning of your journal or
if you prefer, at the end of each month's book.

Also included are two printable award certificates,
and colorful bookmarks
to encourage reading.

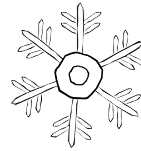

May God bless you.
I hope you find these books useful.
Aunt B
