

# Scarecrow Man

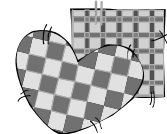

*(Tune: Bill Groagin's Goat)*

*One day a crow, ... Was flying high  
He saw our corn ... As he flew by  
He stopped to eat ... A tasty meal  
He'd eat our corn ... And have his fill*

*Then all at once ... To his surprise  
He saw a man ... With button eyes  
That man was stuffed ... With leaves and hay  
It scared that crow ... He flew away*

*He won't be back ... He never will  
He'll stay away ... From our cornfield  
Oh Scarecrow Man ... We love you so  
You saved our corn ... And scared the crow*

*Color and cut out scare crow.  
Glue together or use brads on  
arms to make him movable.*
