

# Summer Fun

Wonderful Summer  
No more school,  
No more work,  
I want to play.

If I choose  
I can sleep  
And stay in bed,  
The entire day.

But there is boating;  
There are picnics,  
Barbeques,  
And swimming too.

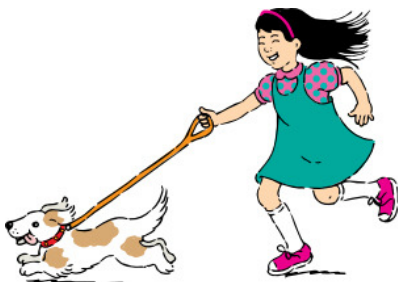

There are parties;  
There is camping,  
And there's  
Tanning by the pool.

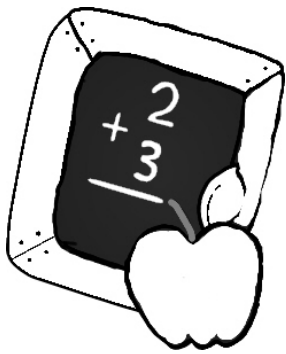

So I'll sleep in  
A little later,  
Do my chores,  
Until they're done.

Don't want to miss  
One precious moment  
Of this awesome,  
Summer fun!
