

- This download has two different kinds of report cards.
1. Postcard (Front and back) with two report cards on each page,
  2. Large Half page fold of one report card.

Print on cardstock.

### Printing Instructions:

This depends on the type printer you use.  
Instructions work with Cannon Printers.

### NOTE:

I recommend printing a sample on regular paper before wasting your cardstock paper.

For both "Postcard Report Cards"  
and "Half Fold Report Card"

Print the first side of report card.

Then, place the printed report card, in printer with printed side facing away from you, upside down. Print second side.

AGAIN .... it depends on your printer.
